

Terms of Service

Effective Date: May 22, 2025

Welcome to CvC Raid Prep Master - a strategy bot for Raid Shadow Legends designed to help players prepare for Personal Rewards Clan vs Clan (CvC) events. By using this bot, you agree to the following terms:

1. Acceptance of Terms

By using CvC Raid Prep Master in Discord or through any integrated platforms, you agree to comply with these Terms of Service. If you do not agree, please do not use the bot.

2. Bot Functionality

CvC Raid Prep Master provides:

- Game planning assistance for Raid Shadow Legends CvC events
- GPT-powered AI responses based on user-provided data
- Strategic recommendations without guarantees of in-game results

This bot does not connect to or alter any game accounts or third-party services.

3. User Conduct

You agree not to:

- Use the bot for illegal, abusive, or exploitative purposes
- Harass or spam other users via the bot
- Attempt to reverse-engineer, manipulate, or modify the bot's code

We reserve the right to restrict access if misuse is detected.

4. Data & Privacy

CvC Raid Prep Master collects and processes user input for generating responses. No persistent

data is stored outside of Discord or OpenAI's systems.

By using the bot, you acknowledge:

- Your input may be processed by OpenAI for functionality
- We do not collect personal data such as email, passwords, or account credentials

Refer to OpenAI's Privacy Policy (<https://openai.com/privacy>) and Discord's Privacy Policy (<https://discord.com/privacy>) for more.

5. Limitation of Liability

This bot is provided as-is, without warranties of any kind. We are not responsible for:

- Inaccurate strategy suggestions
- In-game performance or progression
- Any losses (virtual or monetary) resulting from bot use

Use at your own discretion.

6. Modifications

We reserve the right to modify or terminate the bot, these terms, or access to features at any time without notice.

7. Support & Contact

For questions, feedback, or bug reports, please contact the developer via [insert email/Discord handle].
